

Department of Pediatrics
Division of Neonatal-Perinatal Medicine

2003 Invited Talks

Engle WD. “The Cutting Edge: Controversies in the Treatment of PDAs”, AWHONN 2003 Texas Section Conference, Arlington, TX, December 5, 2003

Rosenfeld C. Speaker. “Ontogeny of Angiotensin Receptor Expression During Ovine Development,” Symposium on The Renin-Angiotensin System and Development, Co-Chairman, Experimental Biology 2003, April 13, 2003, San Diego, CA

Rosenfeld C. Speaker. “The Renin-angiotensin System in The Newborn Sheep,” International Colloquium on Perinatal Medicine, June 28-July 2, 2003, Tours, France

Rosenfeld C. Speaker. “Fetal Growth Restriction: Pathogenesis and Outcome,” The Fetus & Newborn: State-of-the-Art Care, September 22-24, 2003, New Orleans, LA

Rosenfeld C. Speaker. “Mechanisms for Failure of Ductal Closure in Very Preterm Neonates,” The Fetus & Newborn: State-of-the-Art Care, September 22-24, 2003, New Orleans, LA

Rosenfeld C. Speaker. “Ontogeny of Angiotensin II Receptors in Vascular Smooth muscle: Relationship to Pressure Regulation in the Fetus and Neonate,” “Control of the Uteroplacental Circulation and Fetal Growth.” 63rd Perinatal & Developmental Medicine Symposium, “Fetal Origins of Adult Disease,” November 20-23, 2003, Marco Island, FL

Salhab W. Should Very-Low-Birth-Weight Infants Be Assessed in a Car Seat or a Car Bed Before Discharge? A Two-Center, Randomized, Crossover Trial. Pediatrics Grand Rounds, Children’s Medical Center-Dallas, Texas. 2003

Sanchez P. Ray Kroc Visiting Professor Fellowship, “Vancomycin Utilization and Antibiotic Resistance in the NICU: Can We Make a Difference?” (Grand Rounds), “Central Venous Catheter Infections in the NICU,” “Congenital CMV Infection,” “Congenital Syphilis,” Massachusetts General Hospital, Boston, MA, 1/28-1/31/2003. Sanchez P. Pediatrics, “Early-onset GBS Disease and Maternal Chorioamnionitis: Neonatal Management,” Dallas, TX, 2/26/2003

Sanchez P. The Society for Healthcare Epidemiology of America (SHEA) 13th Annual Scientific Meeting, Symposium: Meeting the Challenges of Pediatric Infection Control, “Vancomycin Reduction in the NICU: It Can Be Done!” Arlington, VA, 4/7/2003

Sanchez P. The High Risk Neonate & Maternal Care, McAllen Medical Center, “Diagnosis and Management of Active Syphilis,” “Current CDC Guidelines for GBS,” McAllen, TX, 4/12/2003

Department of Pediatrics
Division of Neonatal-Perinatal Medicine

2003 Invited Talks (cont.)

Sanchez P. Neonatal Sepsis Club, Pediatric Academic Societies' Meeting, "Hot Topics in Pathogenesis and Treatment of Gram-negative Sepsis and Shock: Treatment," Seattle, WA, 5/4/03

Sanchez P. Neonatology Conference, "Vancomycin Reduction in the NICU: It Can Be Done!" Baylor Hospital, Dallas, TX, 5/15/03

Sanchez P. Infection and Immunity in Children 2003, "Bacterial and Fungal Infection in the Neonate – Current Diagnosis and Therapy," University of Oxford (St. Catherine's College), Oxford, UK, 6/29 -7/1/03

Sanchez P. II International Course on Neonatology, "Congenital Syphilis: Diagnosis and Therapy," "Congenital Cytomegalovirus: Diagnosis and Therapy," "Group B Strep Prophylaxis," "RSV Prophylaxis: Emphasis on the Results of the Congenital Heart Disease Trial," Curitiba, Brazil, 7/31 – 8/2/03

Sanchez P. NeoPREP: An Intensive Review Course of Neonatal/Perinatal Medicine, American Academy of Pediatrics, "HIV/STD", "Nosocomial Infections," "Cases in HIV/STD", Vancouver, Canada September 12-13, 2003

Sanchez P. Neonatal Update II: Pearls from the Gulf Coast, "Nosocomial Infections: What's Going Around Now?", "Congenital CMV Infection: To Treat or Not to Treat," Galveston, TX, October 24-26, 2003

Sanchez P. 8th World STI/AIDS Congress (XIV Pan-American STI/AIDS Congress; 40th IUSTI World General Assembly), "The Pathophysiology of Congenital Syphilis," Punta Del Este, Uruguay, 12/2-5/2003

Shaul P. "The Impact of Lipoproteins on Endothelial Function: You are What Your Mother Eats". Western Pharmacological Society 46th Annual Meeting, Lake Tahoe, NV, February, 2003

Shaul P. "Bronchopulmonary Dysplasia: How Are We Doing and Where Are We Going"? 35th Annual Kenneth C. Haltalin Pediatric Seminar "Pediatrics for the Practitioner", Dallas, TX, April, 2003

Shaul P. "Nitric Oxide and the Genesis of Chronic Lung Disease." Lung Club, Pediatric Academic Societies Annual Meeting, Seattle, WA, May, 2003

Shaul P. "Signaling via eNOS Activation in Caveolae". Symposium on Rafts and Caveolae, American Thoracic Society International Conference, Seattle, WA, May, 2003

Department of Pediatrics
Division of Neonatal-Perinatal Medicine

2003 Invited Talks (cont.)

Shaul P. "Nitric Oxide Synthase and Endothelial Dysfunction: Living on the Edge." Department of Pediatrics, Vanderbilt University Medical Center, Nashville, TN, June, 2003

Shaul P. "Proximal Mechanisms Mediating eNOS Activation by Estrogen." Third International Meeting of Rapid Responses to Steroid Hormones, Florence, Italy, September, 2003

Shaul P. "eNOS Regulation in Caveolae: Identifying the Battlefield and the Combatants in the War of Endothelial Function." Whitaker Cardiovascular Institute, Boston University School of Medicine, Boston, MA, September, 2003

Shaul P. "Nitric Oxide and the Genesis of Chronic Lung Disease." Department of Pediatrics, Columbia University College of Physicians and Surgeons, New York, NY, October, 2003

Shaul P. "eNOS Regulation in Caveolae: Identifying the Battlefield and the Combatants in the War of Endothelial Function." Division of Molecular Medicine, Department of Medicine, Columbia University College of Physicians and Surgeons, New York, NY, October, 2003

Shaul P. "Nitric Oxide and the Genesis of Chronic Lung Disease". Grand Rounds, Department of Pediatrics, CHOP, University of Pennsylvania, Philadelphia, PA, December, 2003

Shaul P. "Endothelial Function and the Molecular Regulation of eNOS: Living on the Edge". Thrombosis Cardiology Seminar, Department of Medicine, University of Pennsylvania, Philadelphia, PA, December, 2003

Wyckoff, MH. Use of Naloxone. Neonatal ILCOR Evidence Evaluation Meeting. Washington, DC. Created and presented an evidence-based worksheet for the development of international consensus on the science of newborn resuscitation regarding use of Naloxone in the delivery room. December 6-7, 2003
