

**Department of Pediatrics**  
**Division of Neonatal-Perinatal Medicine**

**2004 Invited Talks**

**Rosenfeld C.** Visiting Professor, Department of Pediatrics, Division Neonatal Medicine, University of Illinois School of Medicine at Chicago; "Pathogenesis of PDA in VLBW neonates" and "The Role of the Renin-Angiotensin System in Vascular Smooth Muscle During Development", September 9-10, 2004

**Salhab W.** Discharge? A Two-Center, Randomized, Crossover Trial. Pediatrics Grand Rounds, Children's Medical Center-Dallas, Texas. 2004

**Salhab W.** State of the Unit-2002 and 2003: A review of the Parkland NICU Annual Report, Parkland Health & Hospital System, Dallas, Texas. 2004

**Salhab W.** Necrotizing Enterocolitis: Neurodevelopmental Risky Business, Pediatrics Grand Rounds, American University of Beirut, Beirut, Lebanon. 2004

**Sanchez P.** University of Rochester Neonatology Research Seminar, "Congenital Syphilis," Rochester, NY, 3/15/2004

**Sanchez P.** V Curso Internacional: Avances en Pediatria Neonatal, "General Vision and Diagnosis of Congenital Infections," "Complication of Congenital and Perinatal Central Nervous System Infections," "Nosocomial Infections in the NICU," "RSV Prophylaxis in High-Risk Infants," Concepcion, Chile, 4/14-17/2004

**Sanchez P.** Reunión Regional de Expertos de Sífilis Congénita, Pan American Health Organization, "Congenital Syphilis," Santo Domingo, Dominican Republic, 5/10-11/2004

**Sanchez P.** XXXVIIIth Middle East Medical Assembly (MEMA), "PROM and Tocolysis: Neonatal Effects and Management," "Group B Strep Neonatal Management Protocols," "Nosocomial Infections: Strategies and Implications," Beirut, Lebanon, 5/13-16/2004

**Sanchez P.** Elimination of Congenital Syphilis in the Americas - A Task Within Reach, Pan American Health Organization, "Congenital Syphilis," Washington, DC, 6/1/2004

**Sanchez P.** The 4th Annual Dr. John J. Fangman Neonatology Lectureship, "A Practical Approach to Primary and Secondary Infections in the NICU," "Bugs and Drugs in the NICU: Can We Make a Difference? (Grand Rounds)," Children's Hospitals and Clinics, Minneapolis-St. Paul, MN, 10/18-19/2004

**Sanchez P.** "Congenital Syphilis," 2004 UNIDOS Conference, Las Cruces, NM, 10/27/2004

**Sanchez P.** "Congenital Syphilis: A Continuing Problem," 44th Interscience Conference on Antimicrobial Agents and Chemotherapy (ICAAC), Washington, DC, 11/2/04

**Department of Pediatrics**  
**Division of Neonatal-Perinatal Medicine**

**2004 Invited Talks (cont.)**

**Sanchez P.** "Evidence-Based Approaches to the Prevention of Microbial Resistance," "Late-Onset Sepsis—Organisms and Antibiotic Selection for Systemic and GI Disease," Neonatal Pharmacology Conference 2004, Charleston, SC, 11/16/04

**Shaul P.** "Preventing Chronic Lung Disease: Is the Answer NO?". 3rd Annual AAP Perinatal Section, District VII Meeting, New Orleans, LA, February, 2004

**Shaul P.** "Nitric Oxide and the Genesis of Chronic Lung Disease". Grand Rounds, Department of Pediatrics, Columbus Children's Hospital, Ohio State University, Columbus, OH, February, 2004

**Shaul P.** "eNOS Regulation in Caveolae". Columbus Children's Research Institute, Ohio State University, Columbus, OH, February, 2004

**Shaul P.** "HDL, SR-BI and the Vascular Endothelium". Esperion Therapeutics (A Division of Pfizer Global Research and Development), Ann Arbor, MI, April, 2004

**Shaul P.** "Preventing Chronic Lung Disease: Is the Answer NO?". Department of Pediatrics, Medical College of Wisconsin, Milwaukee, WI, April, 2004

**Shaul P.** "eNOS Regulation in Caveolae: Identifying the Battlefield and the Combatants in the War of Endothelial Function". Research Seminar, Cardiovascular Research Center, Medical College of Wisconsin, Milwaukee, WI, April, 2004

**Shaul P.** "Vascular Dysfunction, Atherosclerosis and Menopause ". Biology of the Perimenopause: Impact on Health and Aging Workshop, National Institute on Aging (NIA) and Office of Research on Women's Health (ORWH), Bethesda, MD, May, 2004

**Shaul P.** "Molecular Mechanisms of HDL Action in Endothelium". Gordon Research Conference on Lipoprotein Metabolism, Kimball Union Academy, Meriden, NH, June, 2004

**Shaul P.** "Mechanisms of Estrogen Action in Endothelium: New Perspectives About Protagonists and Antagonists". FASEB Summer Research Conference on Steroid Hormone Receptors: Integration of Plasma Membrane- and Nuclear-Initiated Signaling in Hormone Action, Tucson, AZ, July 31-August, 2004

**Shaul P.** "Cell Signaling Mechanisms Dictating Endothelial Function". FASEB Summer Research Conference on Molecular and Cellular Signaling in the Perinatal Cardiovascular System, Tucson, AZ, August, 2004

**Department of Pediatrics  
Division of Neonatal-Perinatal Medicine**

**2004 Invited Talks (cont.)**

**Shaul P.** "Signaling Modules in Caveolae/Lipid Rafts: Good Things Come in Small Packages". Mead-Johnson Lecturer, 35th Annual Meeting of the Perinatal Research Society, Banff, Alberta, Canada, October, 2004

**Wyckoff, MH.** Controversies in Newborn Resuscitation. UTSW Pediatric Grand Rounds. Dallas, TX. September 15, 2004

**Wyckoff, MH.** Randomized Trial of Volume Infusion During Resuscitation of Asphyxiated Neonatal Piglets. NRP Symposium at AAP Meeting. San Francisco, CA. October 8, 2004
