

Web Resources for Faculty

(and other user groups) at UT Southwestern

Susanne Mumby, Ph.D.

Learning Objective

At the completion of this workshop, attendees will be able to locate useful resources for faculty, staff, postdocs, residents/clinical fellows, and students on the UT Southwestern web site.

www.utsouthwestern.edu

Welcome to UT Southwestern Medical Center.

Where researchers seek knowledge fundamental to the treatment and prevention of disease. Where physicians, scientists and other health-care professionals are trained. Where state-of-the-art, compassionate medical care is delivered.

[President's Message on Diversity](#)

Education

Our three institutions train more than 4,000 students, residents and postdoctoral fellows each year. For more information [Applicants, Students and Alumni](#).

> [UT Southwestern Medical School](#)

Research

Our biomedical research advances are a result of more than 2,500 research projects annually totaling more than \$340 million. For more information on [Research Interests](#)

> [Faculty Directory](#)

Patient Care

UT Southwestern Medical Center physicians conduct more than 2.1 million outpatient visits and treat thousands in our affiliated hospitals.
